

JD150A Inline Box Fan

150mm (5.9in)

GENERAL SPECIFICATIONS

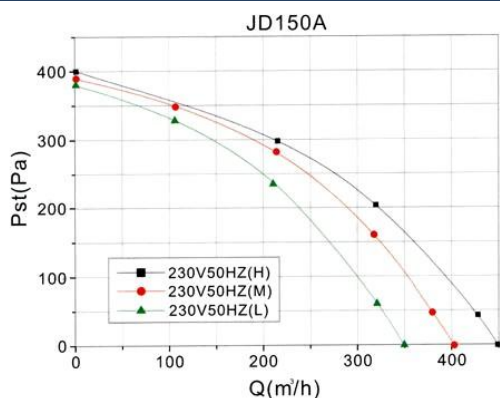

- Impeller:** SGCC
- Housing:** SGCC
- Life:** 30,000 hours
- IP Rating:** IP44
- Operating Temp:** -40°C~+80°C
- Wire:** 20 AWG

FEATURES

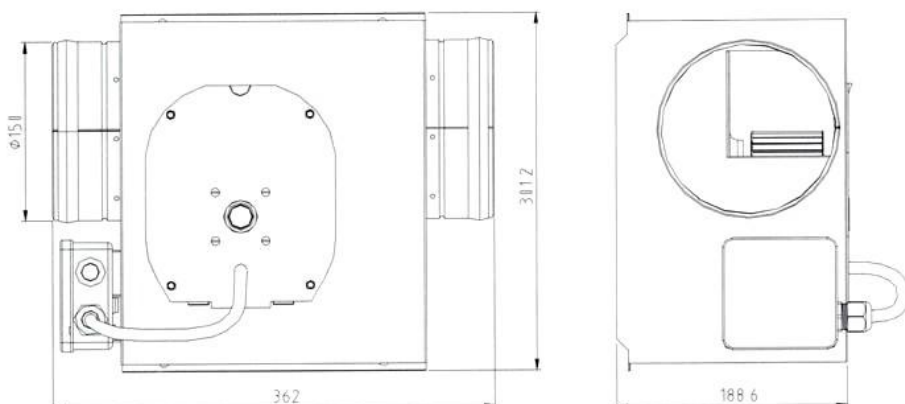

- High efficiency inlet design
- Whisper-quiet performance
- Lubricated sealed ball bearings
- External rotor motor w/backward-curved centrifugal fan
- Includes housing, impeller, motor, base, and ABS connection box
